

# INTRODUCING THE ILLINOIS AHEC SCHOLARS PROGRAM

Illinois AHEC Scholars is a competitive two-year cohort program that expands on traditional health professions and student education and training.

## Scholars participate in:

- Monthly online/self-paced seminars
- Job shadowing
- Career coaching
- Two summer institutes (one per year)
- Underserved health experiences (three-day immersion experience in an underserved community)
- Interprofessional community service learning project

## Enhanced training on core topic areas

- Practice transformation
- Behavioral health
- Social determinants of health
- Cultural competency
- Interprofessional training and education

Illinois Area Health Education Network

Improving the health needs of underserved populations through diversity, health workforce and practice distribution transformation

For additional information, or for an application to become an AHEC Scholar, please contact: Hana Hinkle, MPH · [hhinkle1@uic.edu](mailto:hhinkle1@uic.edu) · (815) 395-5784

This work is conducted by the Illinois Area Health Education Centers Network Program, funded by grant No. U77HP26847 from the Health Resources and Services Administration, and administered by the National Center for Rural Health Professions at the University of Illinois at Chicago College of Medicine Rockford.
